You are 40.00 short for application 10/711295 so you will have to pay a surcharge fee of \$75.00 this application because I can't no longer hold this application.

So a partial fee of \$355.00 will be applied so your Deposit balance will be \$0 dollars. The filing fees has gone up to 395.00 instead of 385.00 as of Oct 1, 04.

Application no 10/711273 for a total of 685.00 will be processed today. Fee is always due upon receipt but you can file applications without filing fees but you will have to pay a surcharge fee of 65.00 for small entity status.

Dear Cynthia Streater,

The fee transmittal authorizatoin letter has been faxed to 703-308-5806.

From Oct. 1st to Oct. 7th is the National Day vacation here in China and banks do not work. I can not replenish my deposit account untill Oct. 8th.

What's the time limitation for paying an application? The amount inside of my deposit account might not be enough to cover any further applications before replenishing. Can I file other patent application recently before replenishing my deposit account?
